The parties agree to modify Client Relationship Agreement / Cloud Services Agreement number ______________ as follows:

The term Products also includes Services.

Add as a new section:

1. **Services**
   a. IBM provides consulting, installation, customization and configuration, maintenance, and other services as detailed in an Attachment or TD. Client will own the copyright in works of authorship that IBM develops for Client under a Statement of Work (SOW) (Project Materials). Project Materials exclude works of authorship delivered to Client, but not created, under the SOW, and any modifications or enhancements of such works made under the SOW (Existing Works). Some Existing Works are subject to a separate license agreement (Existing Licensed Works). A program is an example of an Existing Licensed Work and is subject to the program terms. IBM grants Client an irrevocable (subject to Client’s payment obligations), nonexclusive, worldwide license to use, execute, reproduce, display, perform and prepare derivatives of Existing Works that are not Existing Licensed Works. IBM retains an irrevocable, nonexclusive, worldwide, paid-up license to use, execute, reproduce, display, perform, sublicense, distribute, and prepare derivative works of Project Materials.
   b. Either party may terminate a Service if a material breach concerning the Service is not remedied within a reasonable time. IBM will provide at least 90 days’ notice prior to withdrawal of Service. Client will pay charges for Services provided through the effective date of termination. If Client terminates without cause or IBM terminates for breach, Client will meet all minimum commitments and pay termination or adjustment charges specified in the SOW or TD and any additional costs IBM reasonably incurs because of early termination, such as costs relating to subcontracts or relocation. IBM will take reasonable steps to mitigate any such additional costs.

2. **Warranties or Warranties and Post Warranty Support**

Add as a new paragraph:

   a. IBM warrants that it provides Services using commercially reasonable care and skill in accordance with the applicable Attachment or TD, including any completion criteria, and that Project Materials will comply with the Attachment or TD at the time of delivery. The warranty for a Service ends when the Service ends.

3. **Charges, Taxes, and Payment or Charges, Taxes, Payment and Verification**

Add to end of paragraph a: Prepaid Services must be used within the applicable period.

4. **General**

In paragraph b, replace the third through fifth sentences with: Changes are not retroactive; they apply, as of the effective date, only to new orders, ongoing services that do not expire, and renewals. For transactions with a defined renewable contract period, Client may request that IBM defer the change effective date until the end of the current contract period. Client accepts changes by placing new orders or continuing use after the change effective date or allowing transactions to renew after receipt of the change notice.

In paragraph f, add to end of first and the end of the second sentences before period: “, or Services”
